Minutes of Meeting

President Paul Sampatakakis starts the meeting at 5.00 PM CMT (GMT+1) and welcomes the team with the following agenda:

- MEDICON 2017 Croatia Updates
- Med Peace Forum Updates
- Med MDIO Projects 2016/17 Updates from CRs
- Med MDIO Promotion from CRs Updates
- Presidency Candidatures 2017/18
- Admission of Albania Updates
- Miscellaneous

MEDICON 2017 Croatia Updates

Julio Corredor, D2452 DRR, is present at the meeting because in order to give importance to the MEDICON 2017 Croatia, the Med MDIO President and the DRR decided to host the annual District Conference of Rotaract District 2452 within the MEDICON itself.

President Paul Sampatakakis gives the word to CR Croatia Kim Varga as Representative of the HOC team, who reports that we have almost 200 people who applied. The main problem is with Algeria and Egypt because we have to sort out how to run the payments. She will contact the CRs personally later. The second thing is that 90% of everyone who applied is Algerian and Egyptian, therefore CRs will have to promote the event more. Everything else is being organized and is going as planned. She also asks if Rotaractors from outside the Med MDIO are welcome to come and President Paul Sampatakakis clarifies that everyone is welcome to join the Med MDIO events.

Salva Amoros, Spain CR, replies: "In Spain people are mainly interested for the EUACO, I have just promoted our event in the Rotaract District 2203 Ryla and they all seem interested; I will keep showing people what we offer! Next week is turn for District 2202."

The HOC team will be figuring out the payment and the visa problem with the concerned CRs. The maximum number of participants the MEDICON 2017 can host is 400 people.

Mediterranean Peace Forum 2017

President Paul Sampatakakis gives the word to Maria Vittoria Gargiulo, Sergeant at Arms and Head of the Mediterranean Peace Forum Task force, who reports : “Another speaker, Christina Gkouvali, UN member (courtesy of our President Paul) has been added and we will have 2 or 4 workshops in parallel sessions (the ones we discussed last time plus team building). We talked about the possibility to give certificates to forum attending members, which means that we will have a registration form to submit, and awards for the workshops”

Med MDIO Projects 2016/17 Updates from CRs

Egypt CR Raghda El Roumy will share with the other CRs and online excel sheet so they can register their country clubs for the Med MDIO initiatives.

Admission of Albania Updates

The President Paul Sampatakakis has received all the documents concerning Albania admission, they will contact us soon with the CR name.

Presidency Candidatures

Presidency candidatures will be open next week. They will be open till 10th December. The team can vote till the 20th of December.

Other Issues:

President Paul Sampatakakis says that the M2R has been perfect! He is going to prepare an article about it when he gets back home. Rotaract Academy was also awesome! Finally, over 100 participants tonight during the gala!
