### ❖ Meeting Agenda

President Paul started the meeting at 11.00 AM GMT and welcomed the team with the following agenda:

- Collaboration with Craig Simons
- MEDICON 2018 Candidatures & Voting
- M2R bidding for fall 2017, winter 2018

#### ➤ Collaboration with the Rotaractor Craig Simons

Craig Leon Simons is a very motivated British Rotaractor that uses to attend numerous international Rotaract events as well as to take countless photographs with his camera. His pictures during our M2R Cyprus turned out to be a major promotional tool which upgraded the event. The President proposed a collaboration with Craig. He would be compensated with the total sum of 200 € for each Med MDIO event he attends. In return, he shall be the official Med MDIO photographer. Every participant of the meeting agreed.

#### ➤ Medicon 2018 Candidatures

The only candidate for the next MEDICON is Greece. The team voted in favor of having the MEDICOM 2018 on the Greek island of Rhodes. The Pre-MEDICON might take place on Hydra island or in Athens.

The expected date for the event is by the end of April or 1st weekend of May. (End if April will help us with less expensive packages). Every package shall include transportation from Athens to Rhodes through a boat trip that takes approximately 1 day. The Convention shall be organized by Rotaract Club Glyfada with the support of their sponsor Club and their District 2470.

### ➤ **M2R 2017/18 Candidatures**

For the following Rotarian year the M2R events are going to take place during November 2017 and February 2018, but the voting procedure for both will take place during the beginning of the year so that the HOCs have enough time to organize and promote their events.

Furthermore, the 1st M2R of the Rotarian year 2018/19 shall be arranged to take place in September instead of November. This new date of the M2R is an great opportunity for the Med MDIO to exploit the Mediterranean summer. The candidatures for the next M2Rs are going to open on the 20th of May 2017.

**The meeting ended at 12:30 pm GMT**

Best Regards,

**Raghda El Roumy**

**International Service Coordinator/ CR Egypt**  
Rotaract Mediterranean MDIO
